

CF questions

1. What is the limitation for the team on the exit of the plan?
2. Who is responsible for the video evidence?
3. How many team members of a 4-Way team will be in the air at the same time?
4. Is a handgrip on a line not attached to a centre cell allowed in a plane formation?
5. How many times can a random formation be used in 4-Way Sequential?
6. Can you mirror the second formation within a block?
7. Can a team refuse to jump through clouds?
8. Who can change the exit altitude?
9. What is the maximum working time for the 8-Way event, including the holding time?
10. When will the teams be given the results of the draw of the sequences and the jump order?
11. What is the intermediate formation in the 4-Way Rotation event?
12. In 4-Way Rotation, the second and the third jumper are in a stack formation and the others are in a plane formation. Is it a correct formation?
13. If in 8-Way Speed event, the formation is formed in 118 seconds. Is it a valid score.
14. If the intermediate is broken in a block sequence and the next formation is attempted by three jumpers with correct grips, but in a different order. Is it an omission or an incorrect formation?
15. How do you score 4-Way Sequential after an omission?
16. How do you score the jump if you can't see the exit of the "first" jumper?
17. If you can't determine if there was the required performance or not, because of the video angle, how do you judge?
18. What is the minimum altitude to make/maintain any formation?
19. What equipment must the jumpers be carrying?
20. If a competitor is disqualified for a jump. What score does the team get for that jump?
21. What kind of signal must the video equipment deliver?
22. The Video Review Panel consists of?
23. When starts the working time?
24. What happens in 8-Way if no score falls within a three second spread?
25. In that case, how many times are you allowed to view that jump?
26. How many teams shall participate in the Final Round?
27. How many rounds must be completed to have a competition?
28. What is a formation?
29. Is a mirrored formation allowed in 2-Way?
30. How many times can a formation be drawn in 2-Way?
