

2-way Dive Pool – Fallsvenskan 2009

Sid 1

Det finns inga randoms i denna dive pool. Block 1-4 har inte någon beskrivning på hur inter ska utföras, vilket betyder att transition från formation 1 till formation 2 kan ske på valfritt sätt. Formationer får **inte** spegelvändas. De måste utföras enligt illustrationen. Den hoppare som är markerad med vit prick **måste** vara i den positionen genom hela hoppet.

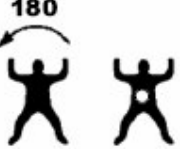

Varje hopp består av 6 formationer.
